

**NEW ERA**  
CONVERGENCE

# **SOLUTIONARIES ARE CONVERGING!**

August 21st-24th in Fall Creek, Oregon

Systems are breaking down on all fronts: social, economic, political, and environmental.

*It's time to breakthrough and create new systems!*

You are invited to engage in collaborative problem-solving experiences at the New Era Convergence this August.

## **LET'S TALK**

### **TOGETHER WE WILL:**

*Explore concepts that frame and give direction to our visions.*

*Explore how our projects connect.*

*Generate actionable strategies.*

What pathways do you see?

What do we need to do to prepare for the transition?

How do we get there from here?

What does the shift look like to you?

*Become a part of the conversation and register at the website:*
